Severity:	Moderate		
Can Reproduce:	Yes		
Replication Step/s:	1. Open Web Browser. 2. Navigate to Guru99 Banking Website. 3. Login to the system with a valid Customer Role User Credentials. 4. Click <Change Password> Link. 5. Enter an incorrect current Password at the "Old Password" Field. 6. Enter a New Password at the "New Password" Field. 7. Re-enter the New Password at the "Confirm Password" Field. 8. Click <Submit> Button. <- ERROR		
Tester:	Arnel Lindo Bagabagon Jr.		
Sprint:	GBW Sprint 1		

Description

If the Old Password entered at the Change Password Page for a Customer User is incorrect, Page will be directed to a blank screen and password change will not be processed. The expected outcome is an error message specifying that the Old Password entered is incorrect. We can refer to the process of changing password of a Manager User.
