Severity:	Severe			
Can Reproduce:	Yes			
Replication Step/s:	1. Open Web Browser. 2. Navigate to Guru99 Banking Website. 3. Login to the system using Manager Role User Credentials. 4. Click <New Customer> Link. 5. Enter values with Space Characters at "Customer Name" Field (e. g. "Arnel Bagabagon") <<- ERROR			
Tester:	Arnel Lindo Bagabagon Jr.			
Sprint:	GBW Sprint 1			

Description

Entering Space Characters at the "Customer Name" Field triggers the "Numbers are not allowed" Error Message. This should not happen since it is intended that full Customer Names should be entered on this field. Also, this error should only appear if Numerical Characters are entered on the field which was not the case.

Comments

Comment by Arnel Lindo Bagabagon Jr. [28/Aug/18]
Changing status to "Resolved". Build Version 2.0 is now ready for Unit Testing.
Comment by Arnel Lindo Bagabagon Jr. [28/Aug/18]
Confirmation Testing start.
Comment by Arnel Lindo Bagabagon Jr. [28/Aug/18]
Testing PASSED. Entering Spaces are now allowed and the "Numbers are not allowed error" is not erroneously displayed anymore.
